- YouTube announced the launch of **YouTube Kenya** in October 2011.
- The designated domain will make it easier for Kenyan users to find and view the most informative and entertaining video content from around the world through a local interface that promotes the content most relevant to Kenyans.
- Speaking at the Nairobi launch event, Permanent Secretary of Information and Communications Dr. Bitange Ndemo said, "Accessing relevant information and sharing helpful stories on the Internet is enabling people to learn, train and partner with each other to help better their lives."
